

# RETIREMENT FOCUS

Brought to you by Eastwood Retirement

## IN FOCUS

### SEE WHAT GENERAL MANAGER

Jeanette Davidson and the team at Eastwood Retirement have been up to over the past months.

### STAGE UPDATE

What's new at Eastwood Retirement? Read more P2

**ACTIVITIES FOCUS** what's been going on. Read more P2

## WHO LIVES HERE NOW?

Since our last newsletter we have quite an increase of residents.

By the end of May we have 180 residents living in 113 villas.

There are only 8 villas/Lots left for sale. We will soon have to create a waiting list for prospective residents.

**A real community and a better place to live.**

## MY FOCUS

### from the desk of the General Manager

It has been a while since our last Newsletter, as we have been very busy selling and assisting new residents move in.

Heated indoor pool, perfect for a Winter dip.

Join in for some Line Dancing.

The grape vine is working extremely well and just in the last 6 months we have had many new enquiries from other regions ranging from Victoria, NSW and Queensland. We are having a lot of comments about how the village is a great place to live and to enjoy retirement.

The Community Workshop have some great projects on the go and the Garden Club are busy planting all types of wonderful collections of Spring and Summer crops. Our citrus trees have produced some great fruit again this year.

As the months start to get a bit colder, it is a perfect time to take advantage of all the indoor activities in our Community Centre. Nothing better than a dip in our heated, indoor pool or just enjoying the company of friends around our fire, or join in on one of the many indoor group activities.

There is something for everyone here at Eastwood Retirement. So if you haven't dropped in lately, come on in and see how beautiful the gardens are looking and what everyone is up to.

We would love to chat to you about the village and what it can offer you in your retirement.

JEANETTE DAVIDSON, General Manager

## STAGE UPDATE

It is hard to believe where we are on the schedule, with Stage 6, our final stage, definitely beginning civil works now.

The construction of the Stage 6 villas will begin in June 2017. What this means is that we are on the final stretch with works heading towards completion for the whole village.

Currently there is a lot of work being done on building 14 villas with another 26 villas to begin construction in the next 6 to 12 months. It's great to see all this activity.

## ACTIVITIES FOCUS

### HIGHLIGHTS & DELIGHTS IN OUR COMMUNITY CENTRE

The Social Club are as always very busy organising activities to keep everyone who participates entertained and informed. Sometimes they have trouble fitting everything in. Some of the activities have included bus trips, information sessions, meals out, or meals catered for in the Community Centre, darts, tai chi, water aerobics, art and craft groups and many and other varied activities.

They work tirelessly to prepare great events which are fun and interesting.

### CENTENARY BREAKFAST

The Centenary House Breakfast fundraiser was a huge success again this year, raising \$8,000 towards improvements for this wonderful facility. It was wonderful to see the residents working as a team and having a great time.

All participants were warmly greeted by our team and the participants were provided a delicious home cooked breakfast.
